

# Your Post Care Instructions Glycolic

It is critical that you follow all aftercare instructions below in addition to any advice given by your practitioner to prevent any complications and achieve the best results from your treatment. If the advice given by your practitioner differs from the below, please follow the advice of your practitioner.

If you have any concerns or questions please call us on 0333 242 8528.

- Avoid exposure to the sun and to UVA and UVB lamps and always use adequate protection against solar and artificial radiation.
- Use SPF 50+.
- Use very delicate cleansers on the treated area, avoiding any form of rubbing during drying.
- Avoid using pharmaceuticals and/or cosmetics without first consulting your medical practitioner.

It's important to have your follow up treatments and to continue with your treatment plan to achieve the best results. Please call us on 0333 242 8528 to book your next treatment.
